# Temperature Screenings Available Now!

Return to Work Support for Employers

## Onsite Temperature Monitoring Provided by Trained Technicians

In response to COVID-19 and the growing challenges employers and their employees will face returning to work onsite, we have established trusted partnerships to provide temperature reading and monitoring.

- Available at no cost under many health plans
- Immediately available in most areas of the U.S.
- Technicians in full proper protective equipment delivering no-touch screenings via thermogun
- \$250 per day minimum

## Getting Started is as Easy as 1, 2, 3!

### Step 1

Contact us with the employer name, size, insurance carrier and available wellness funds.

info@wcusa.com OR (866) 894-1300

### Step 2

Connect us with the employer, and we will plan service by shift and entrance point(s) and schedule implementation.

### Step 3

Trained technicians provide temperature monitoring and daily reporting to the employer.
